

PETERSON FARMSTM

Awesome fruit, simply frozen in time

**DELECTABLE SWEET CHERRIES
READY FOR FOOD SERVICE APPLICATIONS**

Grown in Michigan, in the heart of the largest cherry growing region, our dark sweet cherries benefit from ideal conditions to ripen with a beautiful appearance and unmatched flavor. We capture those characteristics by picking them at just the right time and quickly processing them into a wide range of offerings, from IQF pitted cherries to cherry juice concentrate, to name just a few.

Nature's sweet treat made convenient for you!

Get Creative with Sweet Cherries!

How are Peterson Farms sweet cherries incorporated into recipes? The applications run the gamut: decadent desserts, sweet and savory appetizers, main dish sauces, succulent side dishes, flavorful beverages, baked goods, and more. How will you use them?

A Truly Versatile Fruit

Whether you serve in a fine dining restaurant, bistro, quick-serve establishment, pastry shop or juice bar, you'll find sweet cherries add flavor and interest to meals in many settings.

SEVERAL STYLES TO MAKE YOUR JOB EASIER

Convenience and flexibility are key in the food service industry.

We offer a variety of sweet cherry styles, including:

- IQF whole dark sweet pitted cherries
- IQF dark sweet pitted cherry halves
- Frozen dark sweet pitted diced cherries
- Frozen dark sweet cherry purée
- Sweet cherry juice concentrate

Sweet Cherries: Great Taste and So Much More

Yes, cherries are an eye-catching and appetizing fruit. But they're so much more. Consumers focused on nutrition love them for how they contribute to good health. From the vitamins, minerals and fiber they contain, to their powerful antioxidants and other plant compounds, cherries deliver a wide variety of health benefits.
