

Shelf Stable Juice Cups

- Our ultra-high temperature process enables us to provide the same benefits as a true aseptic process without the costs
- Shorter and stronger, white plastic BPA-free cups
- Smaller more compact boxes for better handling and storage
- No refrigeration or freezing necessary, saving cooler space
- 100% RDI of Vitamin C required per serving
- Best by date on the bottom of every cup
- Individually wrapped straws included
- Fits all tray line delivery systems
- Easy peelable lid
- 12 delicious flavors
